

What is a School-Parent Compact?

Federal legislation requires each school receiving Title I funds establish a School-Parent Compact to promote a collaborative effort to improve student academic achievement.

In an effort to provide the highest quality instructional program to the students of Donald D. Stalker and to show how the school and family are working together to educate students, the compact outlines how parents, school and students will share the responsibility to help students achieve Idaho's high standards.

Activities to Build Partnerships
